

79TH INTERNATIONAL MOTOR SHOW GENEVA 5 - 15 MARCH 2009 MOTOR SHOW

Geneva, hall 2, stand2144

Carlsson Autotechnik plays its role among international automobile manufacturers and is going to present two world premieres you will be excited about. More related information can be found on our webpage www.carlsson.de as from March 3rd. If you are interested in visiting our stand, please sign on in advance at genf@carlsson.de, you will receive a corresponding meeting confirmation. We are looking forward to see you!

SPORTY APPEARANCE AND MORE DRIVING DYNAMICS FOR ABC- AND AIRMATIC-SUSPENSION SYSTEMS

Carlsson's C-Tronic® is a unique add-on suspension device which offers TÜV-homologated height-adjustable electronic lowering for cars with ABC- and Airmatic suspensions. Besides the undeniable sporty appearance the embedded safety mechanisms lead to enhanced driving dynamics and at the same time coincide with original equipment safety standards. Intelligent lowering with the highest possible level of comfort and safety!
