

TUNING WORLD AT LAKE CONSTANCE

Tuning World at Lake Constance wrapped up with Carlsson's world premier and record attendance. One of the highlights of the largest tuning exposition in Europe was the world premier of Carlsson's CD35, based on the new Mercedes E Class. Carlsson's upgrade consists of a complete aerodynamics package, C-Tronic® intelligent lowering SUSPENSION, a refined interior, dramatically improved performance as well as sport tires. All parts are now available at our online store.
